We're excited to announce our 2024 ***When Your Heart is Broken, Make Art with the Pieces*** Charity Auction! This year's event will return to the Hen & Ben Event Center on the evening of Thursday, April 25th, 2024. Doors open at 6pm for guests to arrive and enjoy live entertainment, a catered buffet of heavy appetizers by The Rolling Pin, and a cash bar while mingling and perusing our silent auction and raffle. The program will begin at 7pm and feature an address by our Circuit Court Judge, DJ Mote, a celebration of our Champion for Children Honorees, our live auction, and more music to finish the evening.

We are proud to once again partner with Eric Phagan and his Madison Junior High School students to bring one-of-a-kind artwork to the live auction, as well as many new and exciting “experience” packages for guests to bid on. Items will range from artwork to culinary and party packages and a chance to bid on a 7-day cruise with Norwegian Cruise Line!

CASA of Jefferson County is an independent nonprofit organization that provides advocacy for children in abuse and neglect cases in our county in southern Indiana. We are one of the nearly 940 CASA programs nationwide that are striving to make a difference in the lives of our future generations. In 2023, our program provided advocacy for 115 children in Jefferson County alone. As the year closed, we saw a large increase in the number of children entering the system, and if current trends continue, we will see more children in need in the coming year. Thankfully, we will welcome our largest incoming class of new volunteers in February. To support these advocates and provide a voice for more children in 2024, we need the support of our community partners like you!
